Headteacher's Update

Dear Parents and Carers,

Well, this week has been a little different to expected! Thank you for your support and patience and I hope you have managed to stay cool! We still achieved great things earlier in the week, despite the heat.

On Monday, we celebrated our Cynefin Day, a vibrant showcase of the rich diversity within our school community. Learners proudly represented our 56 ethnicities by wearing traditional cultural dress, creating a colourful and inclusive atmosphere across the school. The day culminated in an outstanding catwalk show, where learners confidently shared their heritage and identity. As always it is a powerful celebration of belonging, respect and unity, and a true reflection of our school's values.

Efforts to High Things

Skills Festival - Year 7 & 8

This year's Skills Festival gave Year 7 and Year 8 learners the chance to apply their classroom learning to real life situations. They developed literacy, numeracy, digital skills, and wider skills such as teamwork, communication and leadership.

Learners took part in activities including visual arts, poetry, and workshops on using AI responsibly, working with experts from a range of organisations. They communicated ideas, solved problems, used digital tools confidently, and showed strong teamwork and adaptability.

We thank all facilitators for delivering high quality sessions and helping make the festival a success.

Year 11 Prom

Year 11 celebrated their prom last night at the Holiday Inn, marking the end of their time with us. Learners looked fantastic and conducted themselves superbly throughout the evening, enjoying a well deserved opportunity to celebrate together.

Thank you to staff and families for their support, you should be very proud of the young people they have become. We wish our Year 11 every success in the future.

Sadly we have had to cancel our summer showcase as the school was closed which has impacted on rehearsal time. Shrek is coming in the Autumn term!

Year 5 Parents - Open Evening

We have seen a number of questions on social media about our LSC provision. If have a child in Year 5 we are having an Open Visit on **Thursday 9th July 3.15-4.30** so that you can see what we do.

If you have a child in Year 4 we will be in touch with another date to visit. Scan the QR code to see what has been happening in May.

VISIT US

Upcoming Dates

Monday 29 June - New timetables

Monday 29 June - Return to one lunchtime for all learners

Friday 17 July - Last day of term

Thank you to all our families and our community for your continued support.

Best wishes,

Julia Fitzgerald
